

David Marcus Lieberman, M.D.

Lieberman & Parikh Facial Plastic Surgery — Palo Alto, CA

Medical Director, Facial Plastic and Reconstructive Surgery

- 105 Addison Ave. Palo Alto, CA 94201
- 2577 Samaritan Drive Suite 860 San Jose CA 95124

O (650) 327-3232 | **F** (650) 327-1973

San Jose Ear and Sinus Medical Center — San Jose, CA

- Associate, Facial Plastic and Reconstructive Surgery
- 2577 Samaritan Drive Suite 845 San Jose CA 95124

O (408) 358-8507 | **F** (408) 358-8506

EDUCATION

Quatela Center For Plastic Surgery — Rochester, NY

Fellow, Facial Plastic and Reconstructive Surgery. Director: Vito C. Quatela, MD

Honors

- Jack R. Anderson Prize, award for achieving the top score in the country on the Facial Plastic Board Exam

Stanford University Medical Center — Stanford, CA

Resident, Department of Otolaryngology — Head & Neck Surgery

Weill Medical College of Cornell University — New York, NY

Doctor of Medicine

Honors

- The John Metcalf Polk Prize, awarded to the top three scholastic performers throughout medical school
- Arthur Palmer Prize, awarded to the graduating student with the best record in Otolaryngology
- Harold G. Wolff Research Prize, for the most outstanding original research in the neurological sciences
- Mitchell Spivak Memorial Prize in Pediatrics, awarded to the student with the best record in Pediatrics
- Junior Alpha Omega Alpha

Leadership Activities

- Wrote and directed film introducing Problem-Based Learning curriculum, still used for all incoming students
- Curriculum Design Committee: designed standardized patient encounter exercise
- Spent one-month elective in Cuba studying public health issues and the Cuban health system

Stanford University — Stanford, CA

B.A. Human Biology. Focus in Neuroscience, Departmental Honors

- The Bernard Shuer Award for Neuroscience Research
- Howard Hughes Medical Institute Research Grant

HOSPITAL AFFILIATIONS

El Camino Hospital — Mountain View & Los Gatos, CA

Department of Head & Neck Surgery

Good Samaritan Hospital— San Jose, CA

Department of Head & Neck Surgery

University of Rochester Medical Center— Rochester, NY

Department of Head & Neck Surgery

Unity Hospital— Rochester, NY

Department of Head & Neck Surgery

Rochester General Hospital— Rochester, NY

Department of Head & Neck Surgery

Stanford University Hospital and Clinics— Stanford, CA

Department of Head & Neck Surgery

LICENSURE & CERTIFICATION

Member, The American Academy of Facial Plastic & Reconstructive Surgery Diplomate,
The American Board of Head & Neck Surgery

Medical Board of California - Physician & Surgeon

SERVICE & TEACHING

Volunteer Surgeon

Community Solutions / Consortium for Domestic Violence, San Jose, CA

Offer surgical and nonsurgical pro-bono treatment to victims of domestic violence and traumatic events.

Volunteer Surgeon

HUGS Foundation, Inc.

Treat children with congenital ear malformations as a volunteer surgeon in Ecuador, Guatemala and Vietnam.

High-School Teacher

The Hewitt School, New York, NY

Taught Physical Science, Anatomy & Physiology, Genetics and Advanced Biology to high school students.

Volunteer Patient Liaison

Bacca Ortiz Children's Hospital, Quito, Ecuador.

Served as patient advocate in general pediatrics and orthopedics at the largest children's hospital in Ecuador.

RESEARCH

Quatela Center for Plastic Surgery

Vito C. Quatela, MD

- Reviewed outcomes data for a large series of endoscopic midface lifts.

Department of Otolaryngology — Head & Neck Surgery, Stanford Hospital

Sam P. Most, MD

- Studied effects of corticosteroid administration on functional recovery and neuron survival after facial nerve crush injury in the mouse model

Department of Otolaryngology/Neurosurgery, New York Weill Cornell Medical Center

Samuel Selesnick MD and Michael Kaplitt, MD

- Determined protective effect of anti-apoptotic gene delivery on cisplatin-mediated ototoxicity in rat cochlea

Department of Biological Sciences, Stanford University

Russell D. Fernald, PhD

- Studied the social regulation of gonadotropin-releasing hormone receptor levels in cichlid fish
