

Sachin Shrikant Parikh, M.D.

Lieberman & Parikh Facial Plastic Surgery — Palo Alto, CA

Medical Director, Facial Plastic and Reconstructive Surgery

- 105 Addison Ave. Palo Alto, CA 94201
- 2577 Samaritan Drive Suite 860 San Jose CA 95124

O (650) 327-3232 | **F** (650) 327-1973

San Jose Ear and Sinus Medical Center — San Jose, CA

- Associate, Facial Plastic and Reconstructive Surgery
- 2577 Samaritan Drive Suite 845 San Jose CA 95124

O (408) 358-8507 | **F** (408) 358-8506

EDUCATION

New York Center for Facial Plastic & Laser Surgery — New York, NY

Albert Einstein College of Medicine

Fellow, Facial Plastic and Reconstructive Surgery. Director: Andrew A. Jacono, MD

Stanford University Medical Center — Stanford, CA

Resident, Department of Otolaryngology — Head & Neck Surgery

Honors

- American Rhinologic Society - Research Grant "Surgical Simulation in Endoscopic Sinus Surgery"
- Xoran Academy Research & Education Grant "Virtual Surgical Rehearsal for Pre-operative Planning in Frontal Recess Endoscopic Sinus Surgery"

University of North Carolina Hospitals — Chapel Hill, NC

Louisiana State University Health Sciences Center — New Orleans, LA

Intern, Department of Otolaryngology — Head & Neck Surgery

The Florida State University College of Medicine — Tallahassee, FL

Doctor of Medicine

Honors

- The Robin McDougall Award, in recognition for outstanding concern for medically underserved
- Sanford A. Mullen Award, in recognition of outstanding community service by a medical student
- Organizational President of the Year, for outstanding leadership and vision in founding FSUCares

Leadership Activities

- Founder & President of FSUCares, to increase access to medically underprivileged and underserved
- Coordinated two annual medical missions to Panama raising over \$25,000
- Chair, Student & Faculty Awards Committee

Emory University — Atlanta, GA

B.S. Neuroscience & Behavioral Biology

- Dean's Honor List, scholastic award top 5% of scholastic performers
- Mortar Board National Honor Society

HOSPITAL AFFILIATIONS

El Camino Hospital — Mountain View & Los Gatos, CA
Department of Head & Neck Surgery

Good Samaritan Hospital— San Jose, CA
Department of Head & Neck Surgery

Washington Hospital — Fremont, CA
Department of Head & Neck Surgery

Kaiser Permanente Hospital — Santa Clara & San Jose, CA
Department of Head & Neck Surgery

Saint Francis Hospital — Roslyn, NY
Department of Head & Neck Surgery

Northshore University Hospital — Manhasset, NY
Department of Head & Neck Surgery

Long Island Jewish Medical Center — New Hyde Park, NY
Department of Head & Neck Surgery

Stanford Health Care— Stanford, CA
Department of Head & Neck Surgery

LICENSURE & CERTIFICATION

Diplomate, The American Board of Facial Plastic & Reconstructive Surgery

Diplomate, The American Board of Head & Neck Surgery

- Certificate # 20494

Medical Board of California - Physician & Surgeon

- License #A96960

Medical Board of the State of New York - Physician & Surgeon

- License #256203-1

SERVICE

Volunteer Surgeon

Community Solutions / Consortium for Domestic Violence, San Jose, CA

Offer surgical and nonsurgical pro-bono treatment to victims of domestic violence and traumatic events.

Volunteer Surgeon

Santa Clara Valley Medical Center, San Jose, CA

Offer surgical and nonsurgical pro-bono treatment to medically underserved and underprivileged of Santa Clara County.

Volunteer Surgeon

Healing the Children, Northeast

Treat children with congenital cleft lip and palate as a volunteer surgeon in Colombia

Founder & President

FSUCares, Tallahassee, FL

Coordinator of two annual medical mission trips to Panama with FSU College of Medicine students, faculty, and community physicians

Head Coach

Nike P.L.A.Y. Corps, Atlanta, GA

Served as head coach of inner-city youth flag football team at local Atlanta Boys & Girls Club

RESEARCH

New York Center for Facial Plastic & Laser Surgery

Andrew A. Jacono, MD

- Reviewed outcomes data for a large series of SMAS plication vs deep-plane facelift techniques

Department of Otolaryngology — Head & Neck Surgery, Stanford Hospital

Peter Hwang, MD & Nik Blevins, MD

- Developed a surgical simulator with haptic feedback while studying effects of virtual surgical rehearsal in sinus surgery

National Institutes of Neurological Disorders and Stroke - Bethesda, MD

Mark Hallett, MD

- Studied physiology of movement in precentral motor areas of the brain utilizing clinical fMRI data
